

# 2017-18 Community Recreation Grant Criteria

Reviewers will use the following criteria to rate applications.

	SCORE
How well does the grant proposal meet the objectives of the Community Recreation Grant program? (0-5)	
How well will the program/project address the objective of enabling access to sports/recreation for economically disadvantaged youth? (0-5)	
Will participation in program/project promote physical, emotional and social well-being? For example, self-esteem, social interaction, empathy for others and self-confidence? (0-5)	
Does the proposal provide clear and measurable outcomes of the project/program? Example: Number of participants served; cost per participant served; measures of service quality or satisfaction levels. (0-5)	
Does the project/program have leverage potential, such as matching funds, or the development of partnerships or collaborations, that will enhance the grant's effectiveness? (0-5)	
The application contained all information requested. (0-5)	
<b>TOTAL</b>	

## Grant Criteria & Scoring

**5-Outstanding:** The applicant's application exemplifies superior or exceptional characteristics that contribute to the specific criterion.

**4-Excellent:** The applicant's application illustrates extremely strong, but not exceptional, characteristics contributing to the standard. The reviewer may have a reservation, but there are redeeming features to compensate for or outweigh the reservation.

**3-Strong:** The applicant's application demonstrates strong characteristics; however, the reviewer may have reservations.

**2-Average:** While the applicant's application materials are satisfactory, the reviewer may have major reservations. Certain evaluation characteristics related to the criterion are not present.

**1-Below Average:** The applicant's application lacks certain requested materials/info. The information present are not satisfactory.

**0-Weak:** The applicant's application is considerably incomplete with inadequate information present.
